

Summer Tour: Octagon, Mead, Trolley July 29, 2023

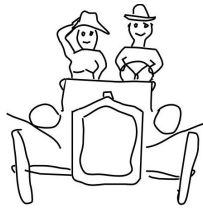

Join us for the fun on Saturday, July 29.

We will meet at Latte Donatte at 501 E Main St, Watertown, WI 53094.

The tour will begin at 9 am & conclude at ~4:30pm. Come early to get your favorite brew and bakery. If some poor soul arrives late we will leave their driving instructions with the wait staff.

Pre-registration is required. Everyone is invited. Any vehicle at least 25 years old will do, but it would be best if it can get to 40 mph or more.

There is so much rich history to see at The Octagon House Museum that our guided tour will last an hour.

From there we drive to lunch at the East Troy Brewery. You might want to check out the vault of this former bank.

We will spend some time at The Hive Taproom. You will have a rare opportunity

to sample and buy Mead. Mead is an alcohol made from Honey. It is technically neither wine nor beer! It comes in many flavors and can be dry or sweet.

From East Troy we will catch an electric trolley that will transport us to The Elegant Farmer, in Mukwonago, Wis. A wonderful shopping experience awaits you at The Elegant Farmer's Farm Kitchen Bakery, Deli & Market, including its award-winning Apple Pie Baked in a Paper Bag.

The trolley will return you to your cars by 4:30. While technically that's the end of the tour, your fun can continue by dining at Gus's Drive-in, just down the road. They have a Cruise-in every Saturday night that is well attended.

Register by June 30, contact Dave Neuhaus at daveneuhaus22@gmail.com or Ph. 920-287-2143. There is a 25 car limit, so do not delay your registration.
